Work Experience

Software Developer

ABC Technologies, Pune, MH (May 2021 - Present)

- Built and maintained a recruitment management portal using Angular and Node.js
- Implemented secure authentication and multi-role login system
- Integrated CM-TextEditor and CM-ImageCropper for internal content creation tools
- Reduced page load time by 30% using lazy loading and optimized queries

Intern - Web Development

TechNova Pvt. Ltd., Pune, MH (Jan 2021 - Apr 2021)

- Contributed to an eCommerce platform; added cart and product pagination features
- Wrote reusable services and implemented state management using NgRx

Projects

CM-TextEditor - npmjs.com/package/cm-text_editor

Open-source Angular rich-text editor with ngModel support, published on npm.

CM-ImageCropper -

Angular image cropper with ratio lock, rotation, and flip features. Supports file outputs and real-time image editing.

Movie Booking App -

Full-stack app allowing users to book movie tickets, with real-time seat updates, MongoDB-backed data storage, and admin panel for pricing management.

Education
